Chuck looked in the closet and got an idea.

Oh yea, this t-shirt
and my jewelry
should impress my
interviewer.

Chuck headed for the door.

I'm your Fairy Penguin here to make sure you dress for succes. Your attire is not business professional. Let's try again.

Hmm, you may be right.
Let's go check out my
closet and see what else I
have that would be more
professional for an
interview.

Shirt, tie, slacks, belt,
and dress shoes. I
think you're ready for
your interview now!

I do look better
and I feel more
confident.

Thanks Fairy
Penguin, I'm sure
to get the job
now!

I'm glad I could help!

Another success....my work here is done.

Chuck headed out confident and dressed for success.
